

Wondering what there
is to see & do on your visit?

Your biggest challenge will be
deciding where to go first.

Ogunquit, "beautiful place by the sea", offers you more than three miles of white sand shores, voted among the ten best beaches in the United States. Enjoy the breathtaking beauty of the mile long Marginal Way Footpath winding beside the cliffs. Picturesque Perkins Cove is the town's working harbor where a number of scenic cruises, sailing and deep sea fishing excursions depart daily in season. America's "foremost summer theatre," The Ogunquit Playhouse is open late-June through August featuring live musicals, drama and comedy. Ogunquit's Museum of American Art includes almost 1,500 pieces of 20th century American work including paintings, sculpture, photography and graphics. Shopping enthusiasts will love exploring the specialty shops and galleries and over fifty area restaurants are sure to offer something for every occasion. If you find yourself looking to explore a bit more of the region, Ogunquit is a short drive from outlet shopping in Kittery (ten miles to our south) and Freeport (home of LL Bean, sixty miles to our north) and the shops and museums of Portland and Portsmouth.
